Subject: Request for Small Mine Reclamation Contract and Addendum, Oakley Mountain Corp., Green Beetle Quartzite Tract, S/003/072, Box Elder County, Utah

Dear Mr. Scrivanich:

The Division has received a copy of the letter of credit(LOC) amendment for LOC#I05CB2297, increasing the surety from \$14,300.00 to \$17,000.00. In order to gain Division approval, the completed, signed and notarized small mine reclamation contract and addendum for this site must be received. Please find it enclosed for completion and signature. While Oakley Mountain Corp. already has a previously executed reclamation contract, the Division is in the process of replacing these old contracts in order to reduce the amount of future paperwork when the surety is changed. Please promptly return the reclamation contract and addendum.

If you have any questions or require discussion, please contact Mr. Jed Pearson (801) 538-5382 or e-mail jedpearson@utah.gov

Sincerely,

Susan White
Mining Program Coordinator
Minerals Regulatory Program
